

**LITTLE  
CRAFTKID**  
Spring 2023

*Worksheets for children in libraries*

① Find out where the children went on holiday. You can find some help in a book about the capital of the Czech Republic.

DEAR CHILDREN,

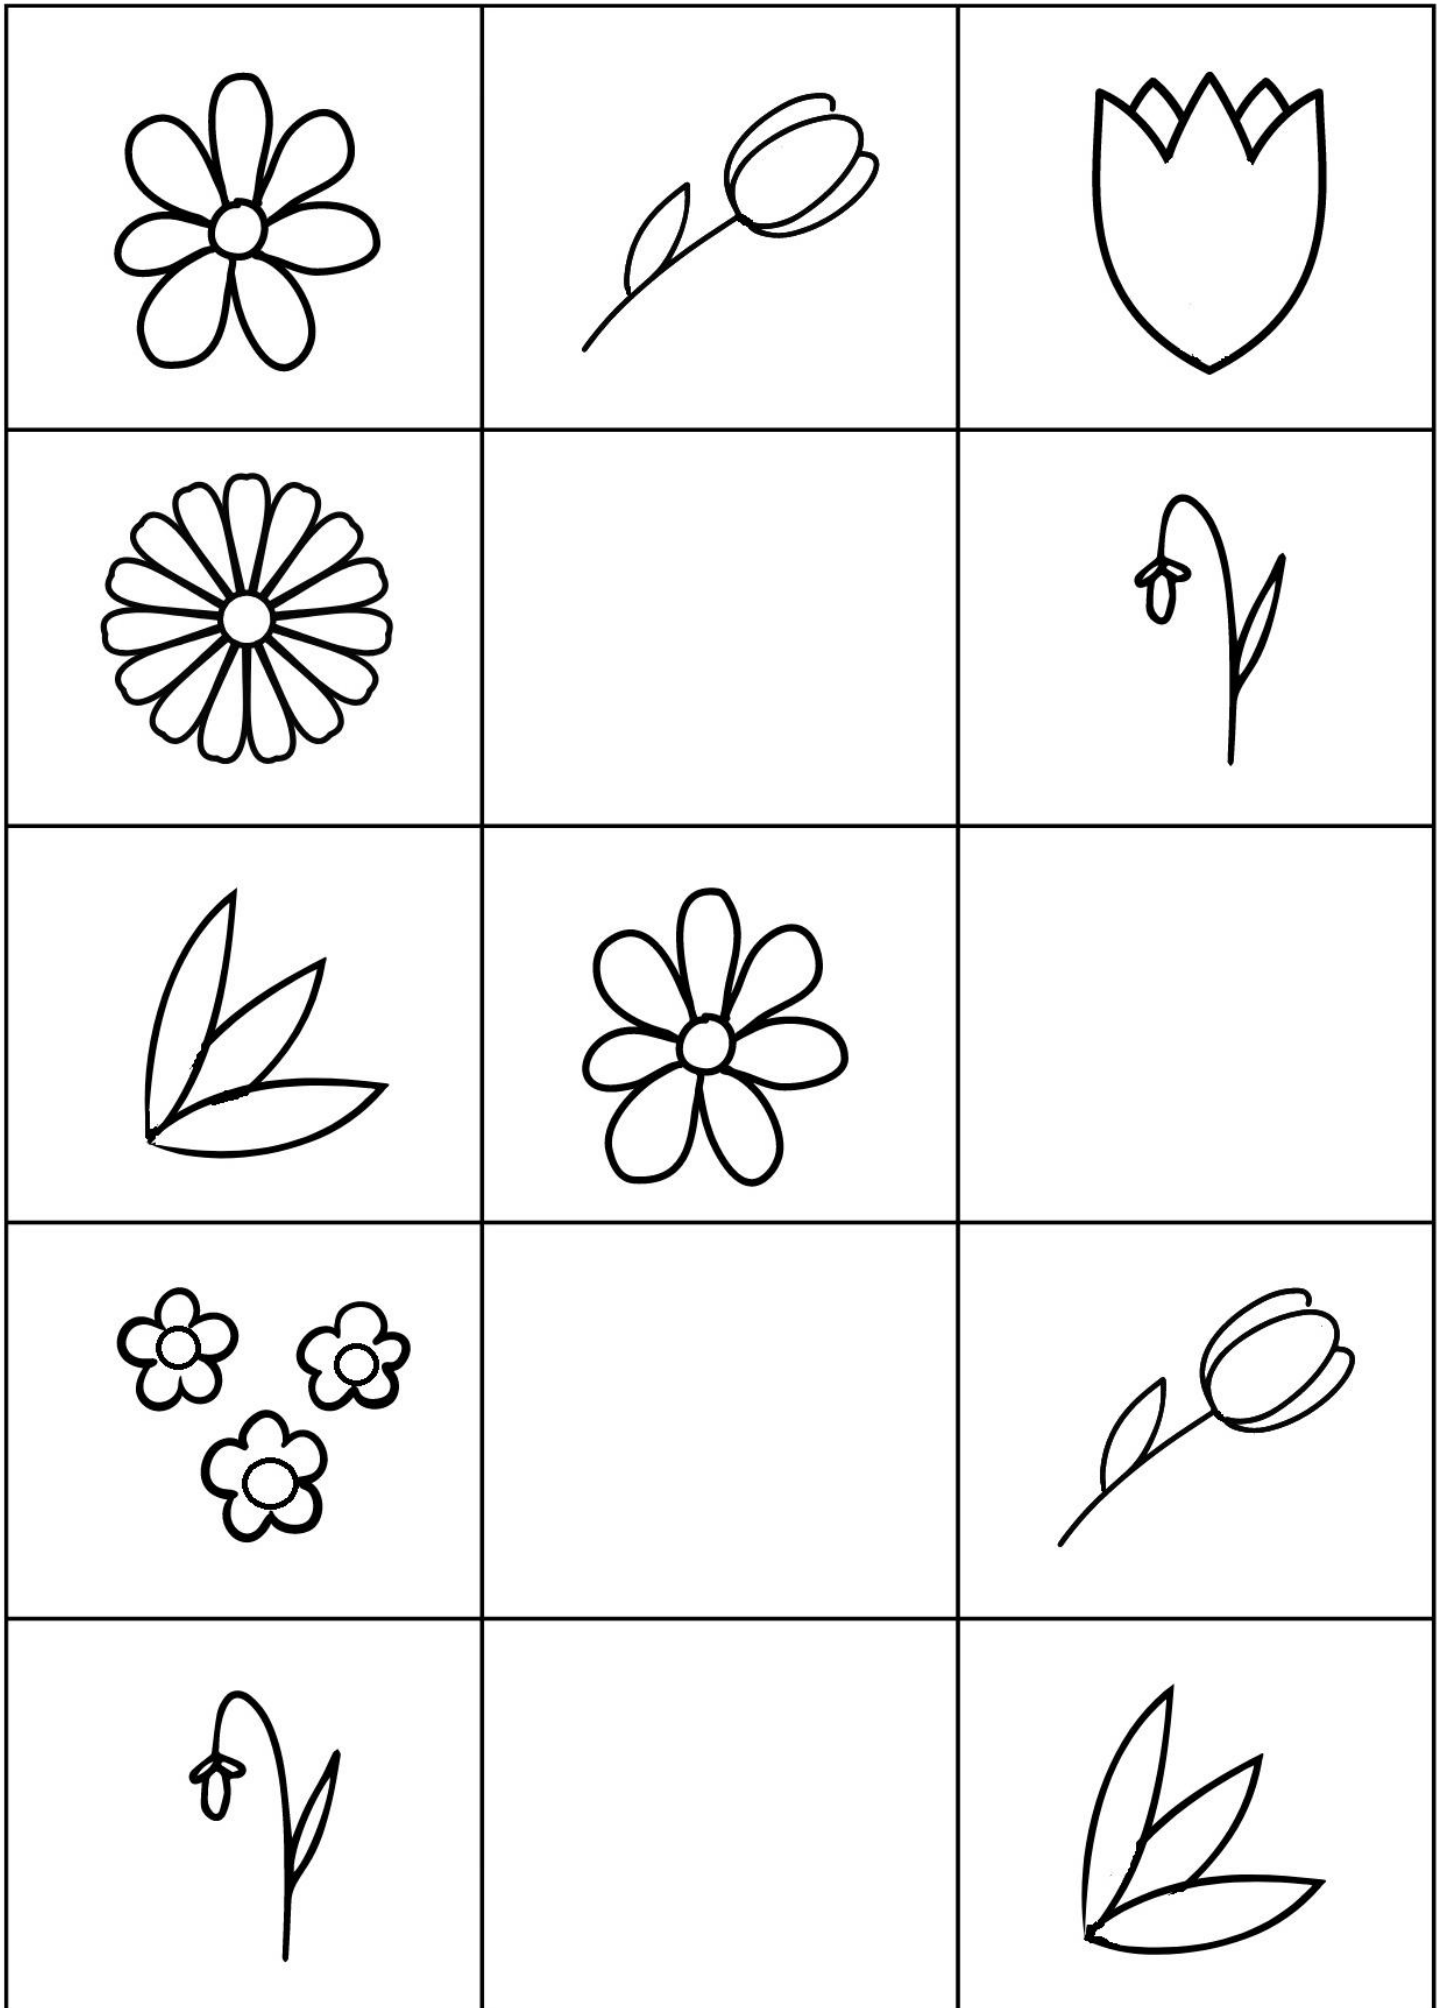

THESE WORKSHEETS HAVE BEEN CREATED AS A PRESENT FOR THOSE OF YOU WHO LIKE READING AND GOING TO THE LIBRARY. THIS COPY IS FOR FREE.

② Colour in the same pairs of flowers on a spring flower bed and finish the missing parts. If there is one window left, it's for your flower.

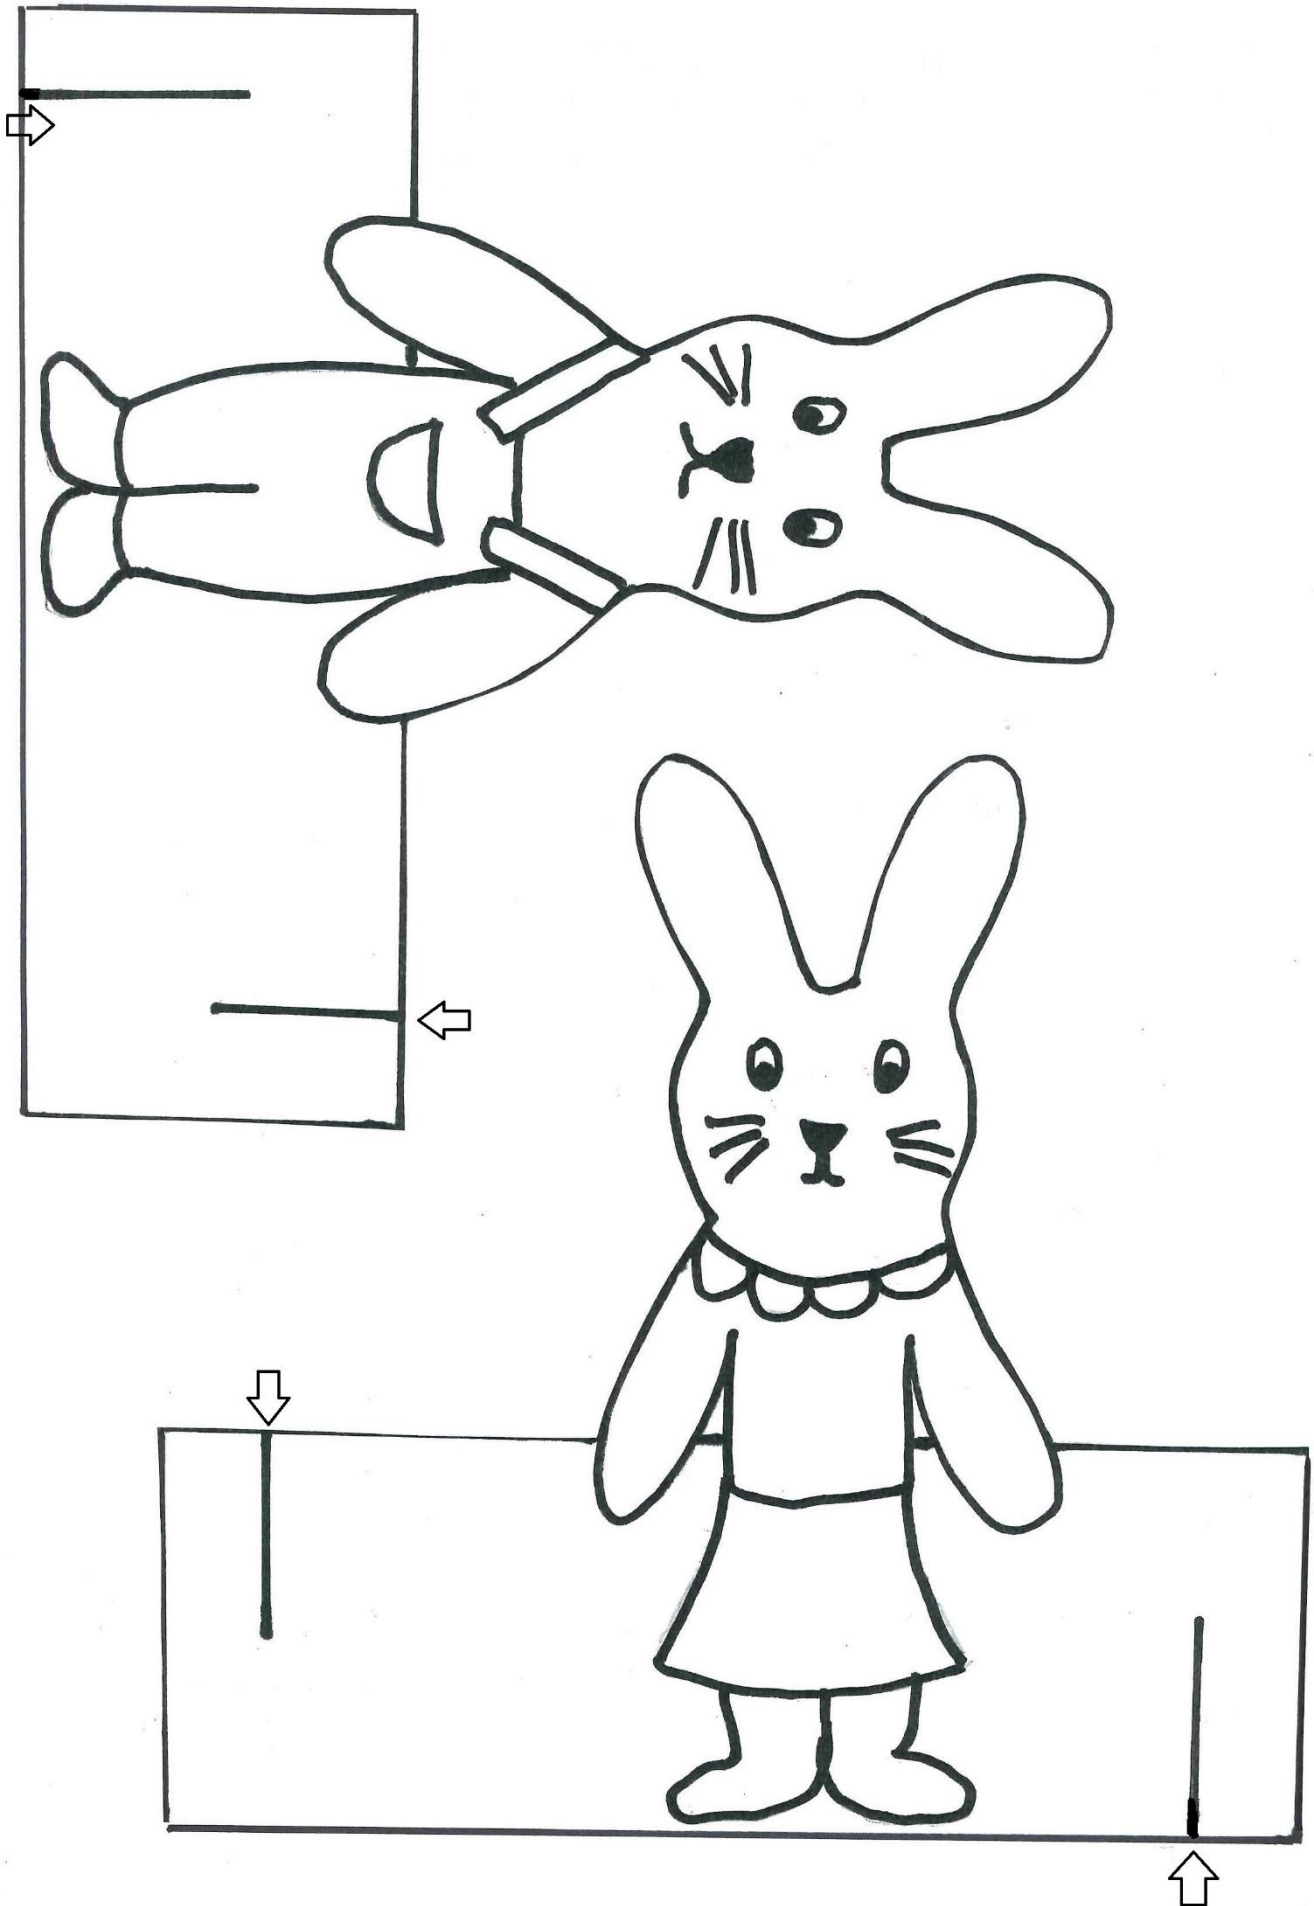

③ Colour in the picture following this number code : 0 – white, 1 – blue, 2 – brown, 3 - pink, 4 – black, 5 – red, 6 – light green, 7 – dark green, 8 – yellow, 9 – orange

④ Finish drawing the remaining pictures in each row following the pattern in the first picture.

⑤ Make a colorful egg holder. Colour in the bunny with its base and cut it out. Make a cut into the base along the lines at the arrows and hook the ends together. Place an egg into the base behind the bunny.

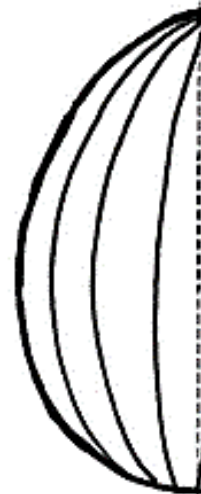

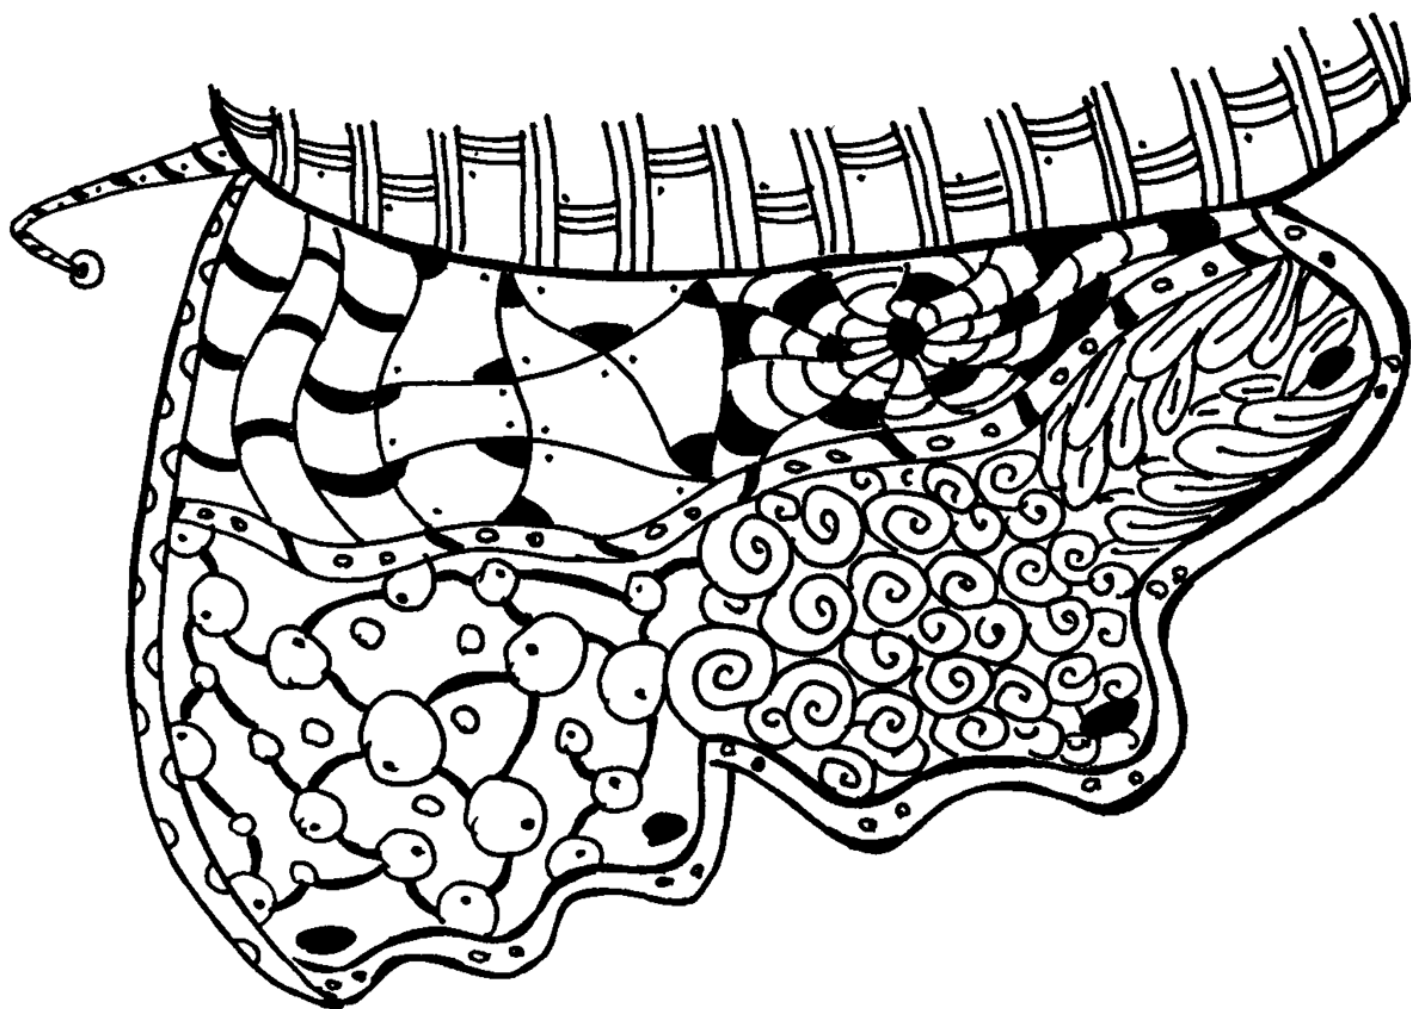

6 Find eight differences.

⑦ Finish drawing the other halves of these Easter eggs. Then colour in the eggs using cheerful colours. Once they are finished, you can cut them out and use them for decorating a bowl with easter grass, or you can glue two eggs together placing a wooden skewer or a piece of string between them, and then use them as a flower pot stick or a hanging decoration.

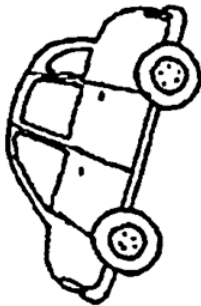

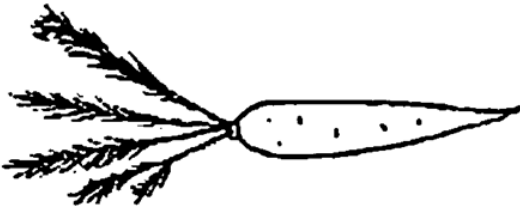

⑧ Finish drawing the other half of the butterfly. You can use the same relaxing zentangle method or finish it at your pleasure.

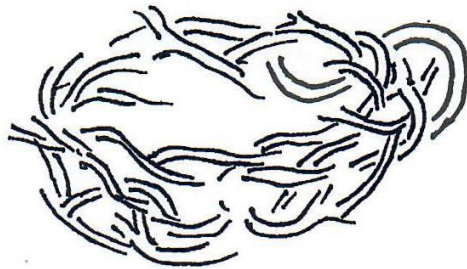

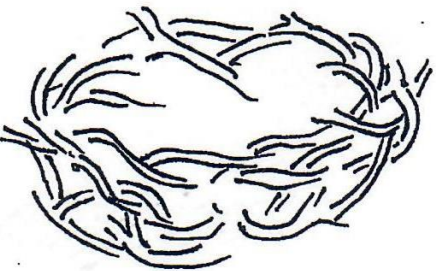

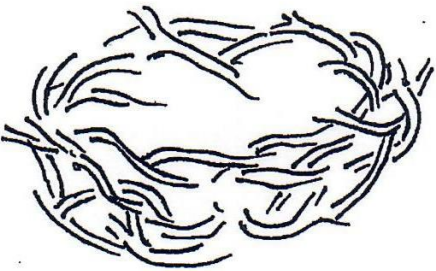

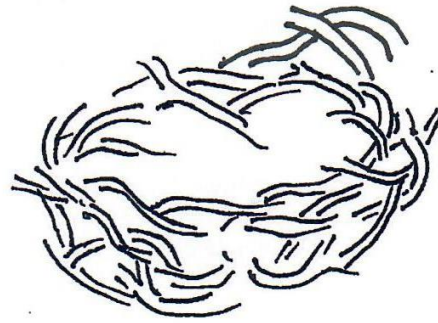

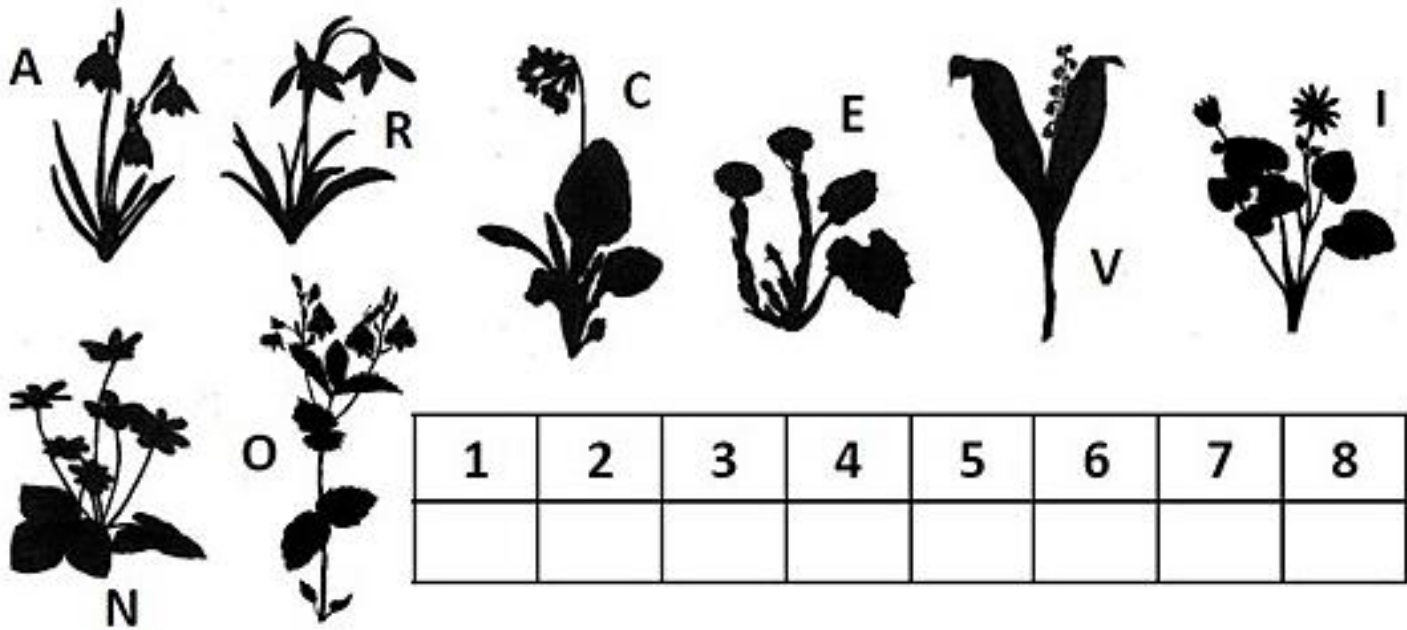

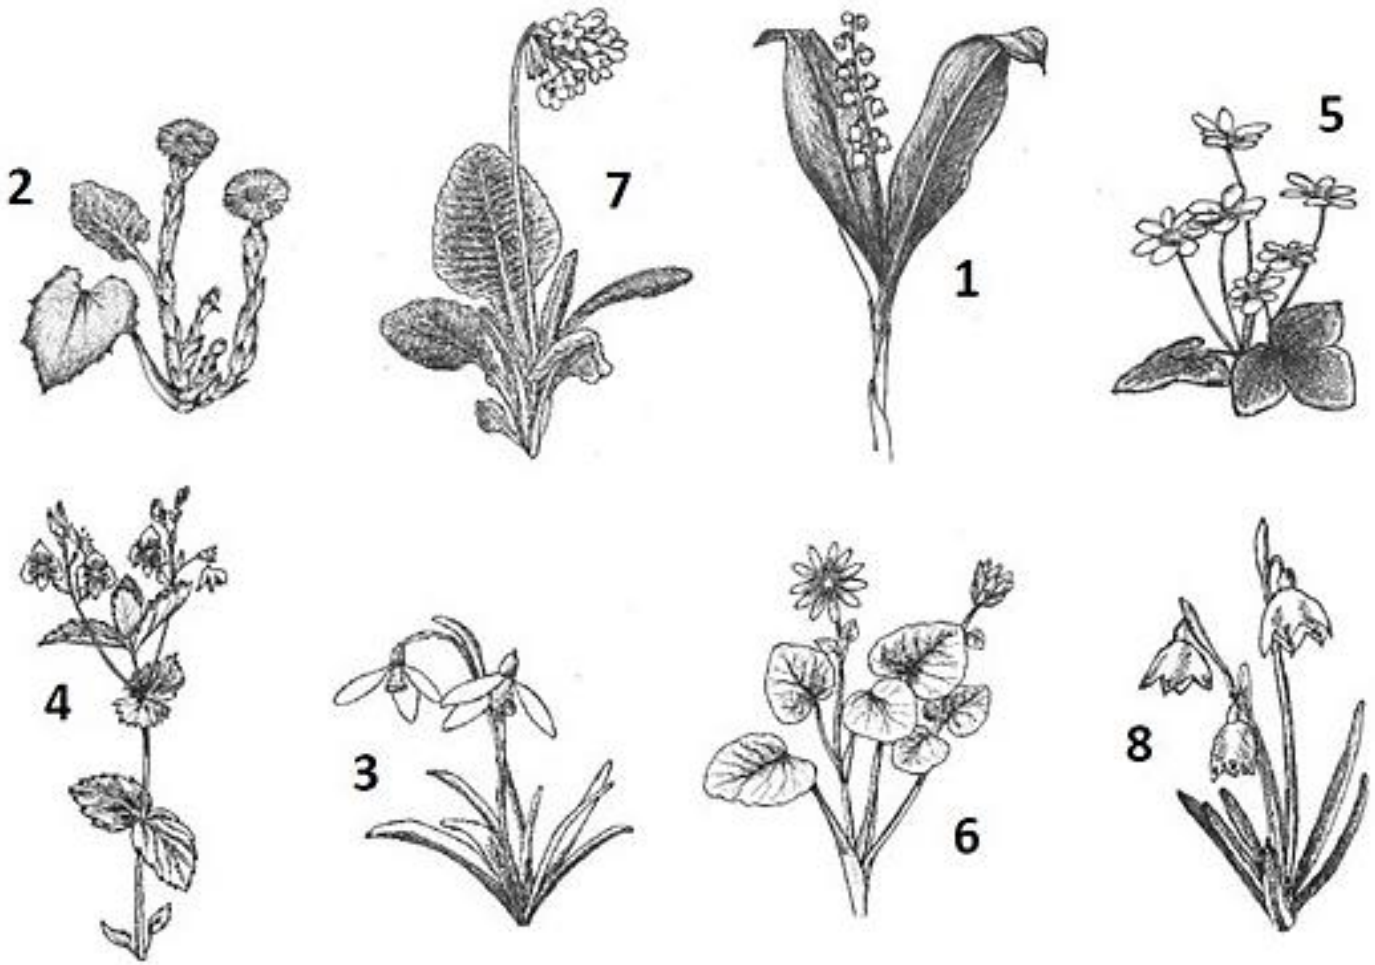

9 Circle the things that you can eat.

⑩ Find four different nests and mark them with a cross, because baby birds could fall out of them. To the other nests, add birds' eggs or hatched baby birds, or even their mom.

⑪ Match the spring flowers to their correct shadows. But be careful! The shadows are mirror images. After that, fill in the numbers of the shadows into the chart. The solution is a girl's name and also a latin name of one of the flowers, the speedwell. Do you recognize the other flowers, too?

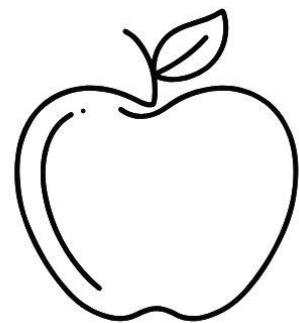

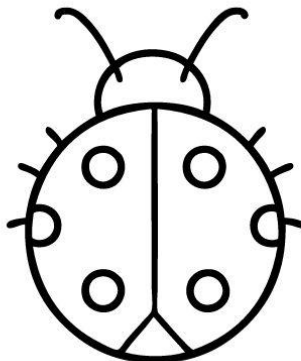

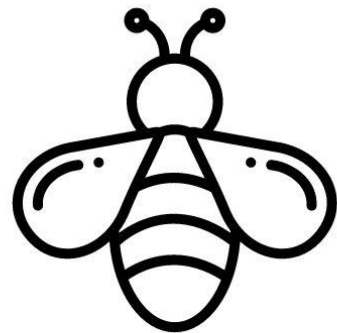

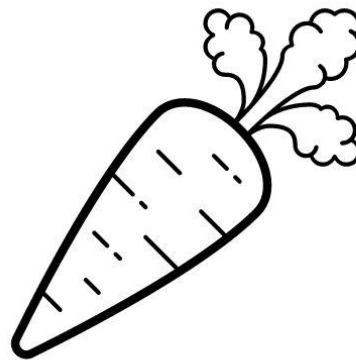

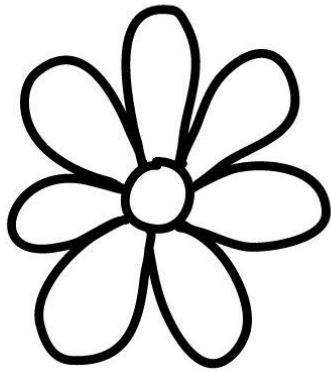

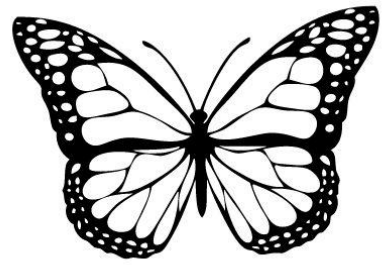

1	2	3	4	5	6	7	8

Solution: VERONICA, 1-lily of the valley, 2-colt's foot, 3-snowdrop, 4-speedwell, 5-liverleaf, 6-pilewort, 7-cowslip, 8-spring snowflake.

12 Draw a picture by matching the dots.

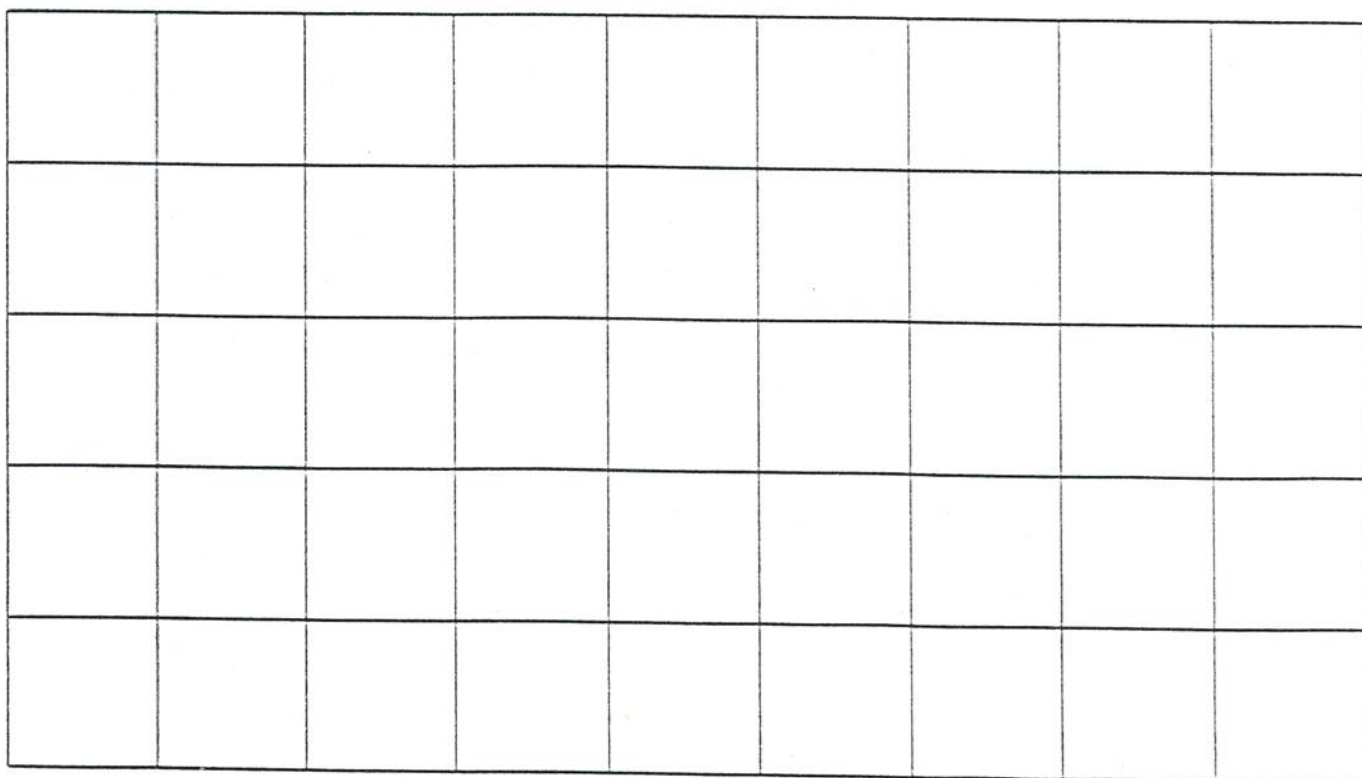

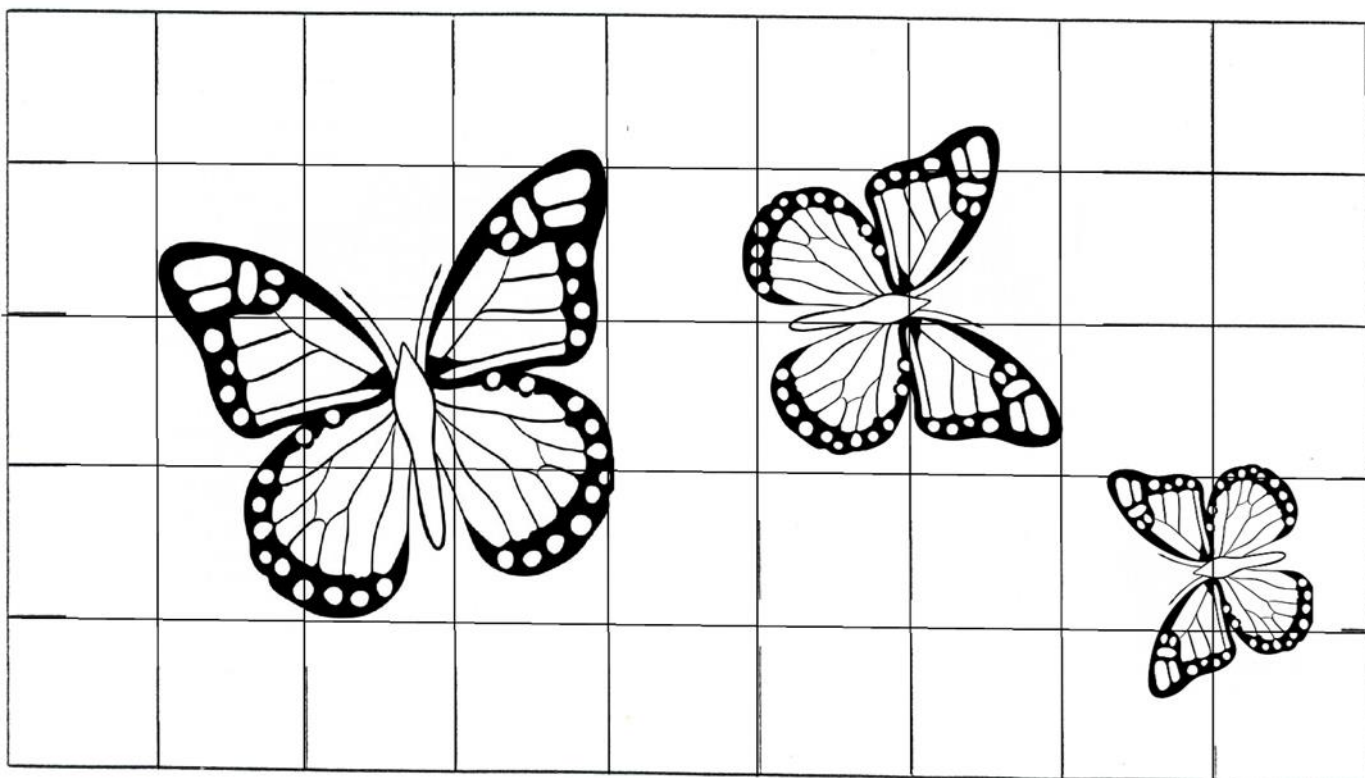

13 Mark (or colour) the things that we can find outside in spring.

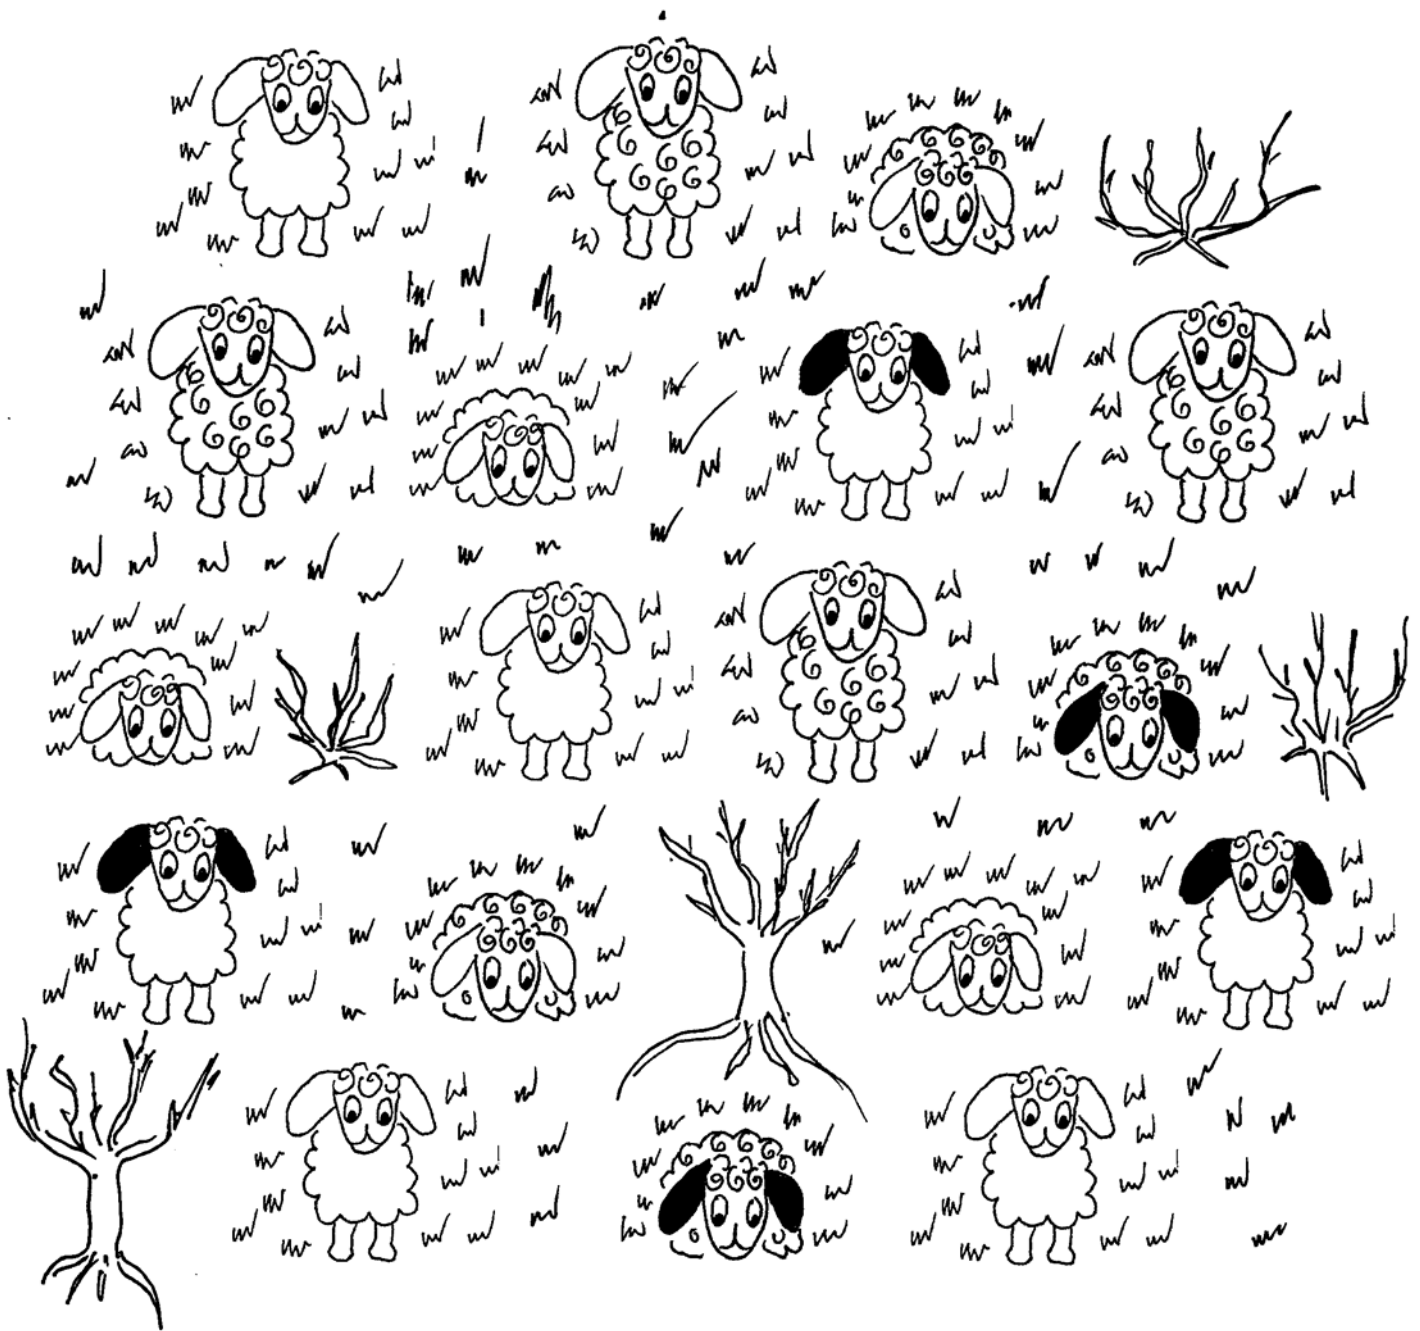

14 Copy the butterflies into the bottom grid and give them bright colours.

15 Take care of the flock of sheep. First, colour in the same sheep with the same colour tone. Then, finish drawing the trees and bushes with new leaves and colour in the grass, too, so that the sheep have something to graze on. Do you know how many sheep you have altogether?
